Description

Rise High in an Exclusive 24-Unit Boutique Campus

Designed for ease, elegance, and modern living, Tulsivanam Greens offers a refined residential experience in a low-density community limited strictly to **24 units in total**. This low density ensures maximum privacy, peaceful surroundings, and uncrowded common spaces. Each 2 BHK residence features a well-optimized **Super Built-Up Area of 1,308 sq. ft.**, engineered to maximize natural light, ventilation, and living space.

From your private 2 BHK residence to the surrounding green landscapes, Tulsivanam Greens provides a peaceful sanctuary near Kanadia Road without compromising access to Indore's core urban commercial zones.

High-Grade Engineering & Sustainable Tech

Every apartment within this 24-unit development comes equipped with its own **dedicated 2 kW to 3 kW electric solar panel system** and **individual EV charging provisions** for allotted parking spaces. Inside, master bedrooms feature wooden flooring integrated with an Italian marble finish, premium CP fittings, and 3-track powder-coated aluminum sliding windows.

Built with uncompromised craftsmanship, the residences feature top-tier structural and material specifications.

The plumbing system utilizes high-durability piping from trusted brands like Astral or Ashirwad, paired with luxury CP fittings and sanitaryware from Jaquar, Grohe, or Plumber.

The electrical layout incorporates concealed, fire-resistant copper wiring from RR Kabel, Polycab, or Havells, paired with sleek modular switch plates from Havells, Legrand, or Anchor, alongside dedicated pre-installed AC copper piping provisions.

Interior spaces are finished with high-grade AGL vitrified tiles, while the master bedroom suite is enhanced with rich wooden flooring and elegant Italian marble styling.

Wall surfaces receive dual-coat smooth putty finished with premium interior paint, protected externally by weather-resistant exterior coatings to ensure long-lasting durability.

Smooth, continuous vertical transit across all floors is managed by two advanced **high-speed elevators**.
